Dated 15.5.41.

[Despatch Abstract.]

Buildings - Bellary - Alipuram jail - quarters in block G -

Allotment to the Jailor - approved.

Copy of Home Department Memorandum No. 8171C/41-1, dated 20.3.1941.

Alipuram Jail, Bellary - Medical officer - Conditions of service - Reference letter from the I.G. of Prisons No. R.O.C. 566/B1/40, dated 22.2.41.

The Inspector-General of Prisons is requested to state very urgently whether the special pay of Rs.100 proposed by him includes compensation for the loss of private practice and any house rent that he may have to pay by being required to live in the vicinity of the jail in private buildings or for occupying any Govt. quarters that may be available. His attention is invited to his letter No. 508/S-6/41, dated 27.2.41, and he is requested to submit definite proposals regarding the accommodations for the C.A.S.

A.R.MacEwen,

Secretary to Government.

To the Inspector-General of Prisons.

Copy of letter from the I.G. of Prisons, No.Roc.566/B-1/41 dated 24th March 1941, to the Secretary to the Government of Madras, Home Department.

Alipuram Jail, Bellary - Medical Officer - Conditions of service - Ref. Memo. No. 8171-C/41-1 dated 20-3-41.

The Special Pay of Rs.100/- proposed by me for the whole-time Medical Officer of the Alipuram Jail, does not include any house rent allowance. As the sub-assistant surgeons employed in jails are not eligible for rent free quarters or any allowance in lieu thereof, I do not consider it reasonable to give the Medical Officer, the concession of rent free quarters or any allowance in lieu thereof. I proposed the special pay of Rs.100/- to him on account of the specially arduous nature of his duties as he will have to look after a very large number of prisoners in this special jail for political prisoners. Besides it is a whole-time job debarring him from private practice. The sum of Rs.100/- is meant to include allowance for loss of private practice also.

2. The Government quarters referred to in my letter No.508/S.6, 41, dated 27-2-41, will be required for Deputy Supdt. which post is likely to be sanctioned at an early date. If the Medical Officer is asked to occupy this building now and to vacate it later on, it will cause inconvenience to him. Besides he will not be able to get a suitable building near the jail at a short notice. I am therefore of the opinion that he should be asked now alone to rent a bungalow for his residence in the vicinity of the jail.

The I.G. of Prisons is requested to report whether the medical officer of the Alipuram jail is now living in the vicinity of the jail and the distance between his residence and the jail. He is informed that it is unlikely that a deputy Superintendent's post will be sanctioned for the jail in the near future. As it is essential that the medical officer should live close to the jail, the I.G. is requested to state whether there is any objection to allot the quarters originally intended for the Superintendent to the medical officer and recover rent from him.

The Superintendent, Alipuram Jail, reports that the Jailer's quarters are illventilated and therefore the jailer finds it impossible to ~~xxxx~~ live in it. The Public Works Department have stated that no windows can be fixed in the quarters. A copy of the Superintendent's report No.2378 dated 10-4-41 is enclosed. The ~~xxxxxx~~ Jailer requests that he may be permitted to take up private quarters on a rent~~xx~~ of Rs.35/- per mensem. As the jailer must reside near the jail, I propose that the quarters originally allotted to the Superintendent in block G. be given to the Jailer. I request to be informed if this may be done.

Sub: Alipuram Jail - quarters of the jailer.

The Public Works Department have definitely stated that windows cannot be fixed in the jailer's quarters.

The jailer submitted his petition to occupy

quarters in the Cantonment as the Inspector General has previously refused him permission to live in the quarters which were intended for the Superintendent. I have no doubt that he would put up with noise and other inconveniences if he were permitted to occupy these quarters.

The jailer's present quarters are undoubtedly below the average of any jailer's quarters, I have seen, and there is no ventilation whatever, and in the present season I can imagine his complaints and agree that he should be allowed to move out without much further delay.

The jailer still has to dope himself with aspirin to get sleep and frequently recently has had to stay at home in the afternoon with splitting headaches. If this continues, it may have to mean a change in jailer's on account of health conditions.

His present quarters are sultry and illventilated and I am of opinion will lead to bad health of the jailer and his family and would recommend he be allowed to occupy the quarters or live in Cantonment.

So far as can be seen no improvements can be made to his present quarters.

Sir,

A/1

The Superintendent, Alipuram Jail, Bellary reports that quarters vacated by the jailer may be allotted to the jail Sub Assistant Surgeon. The Sub Assistant Surgeon is now occupying one of the quarters in Block No.14. As Block No.14 has to be vacated by 1-7-1941 (i.e.) when the new blocks 3, 4, 5 and 8 are taken over, no consequential arrangements are proposed.

Extract from C.No.8171C/41 - (Alipuram jail - Medical Officer - Conditions of service).

Home Department.

2. As regards quarters for the medical officer, the I.G. says that the quarters originally intended for the Supdt., will be required for the Dy. Supdt., which post, he thinks, is likely to be sanctioned at an early date. It is submitted that there seems to be no prospect of a Dy. Supdt. being sanctioned for the Alipuram jail in the near future. The population of the jail on 20-3-41 was 577. The jail has a whole-time medical officer and a whole-time Supdt. The jail will accommodate about 1989 prisoners after all blocks are repaired. The jails at Cannanore (1183) Coimbatore (1809) Rajahmundry (1407) and Trichinopoly (1780) which have no separate whole-time medical officers have not been allowed any Dy. Supdt. For orders whether the I.G. may be asked to allot the Supdt's. quarters to the medical officer and recover rent and if so, a separate file will be started on this subject.

P.V.J.
26-3.

Home may support the I.G's. recommendation to grant a special pay of Rs.100/- inclusive of compensation for loss of private practice. Edn. & P.H. may be asked to issue orders.

A separate file may be started on the question of the C.A.S. accommodation. It is not known where he is staying at present. I think the I.G. mentioned somewhere that the jailor would occupy the quarters originally allotted to the Supdt. Home may agree that, the C.A.S. should not get free quarters or

I think that an all-in allowance of Rs.100/- is reasonable, especially in view of the 1922 figures ~~in para 4, p.2 above.~~ It theoretically includes Rs.30/- for loss of private practice, and we have to remember that, though H.R. as an allowance doesn't arise, the C.A.S. has to find a house near his work at a place where there is little choice and where he will probably have to pay Rs.40 or 50.

2/ The information referred to at A ante may be obtained from the I.G. He may also be asked to report whether the Supdt's quarters can not be allotted to the medical officer as suggested at C ante. A draft memo is laid.

With reference to A ante, please see the I.G.'s letter at p 4 c.f. The Medical Officer is reported to have stated that the quarters originally allotted to the Supdt. are not suitable for him. The I.G. reports that the quarters may be assigned to the jailor who finds his present quarters unsuitable. This was previously suggested by the Supdt. of the Alipuram jail. There seems no objection to the allotment of the quarters to the jailor. ~~He may be transferred to Pudukottai for three years.~~ But these quarters are already provided for the jailer. Evidently the jailer's quarters will be allotted to some other subordinate jail officer.
